WHAT DOES IT MEAN TO THRIVE?

- T**houghtful learning helps us grow.
- H**onest actions make for a better world to live in.
- R**espect for others earns respect in return.
- I**nquire about the things you do not know.
- V**alue mistakes and hardships as opportunities to grow.
- E**ncourage others to grow along with you.

WHAT SETS US APART?

Developed by instructors at ABLE Enrichment, Camp THRIVE follows the same mantra: to focus on individual growth and resilience. Through our in-house curriculum and materials, students are encouraged to celebrate what they can achieve, rather than dwell on what they cannot. Camp THRIVE is for students who want to grow and unlock their own talents and full potential.
